

AT SNAP-ON FASCIA

PRODUCT DESCRIPTION

Elevate AT Snap-On Fascia is our most versatile perimeter edge solution, featuring a base and snap-on metal cover designed for compatibility with various single-ply roofing systems. With a variety of sizes available, this fascia enables straightforward installation with options including pre-applied mastic and snap-on corners.

FEATURES

- Base and cover are fabricated in 10' lengths; 4"–13" widths.
- Ready-to-assemble inside and outside corners.
- Can be used on a variety of roofing systems and mil thicknesses.
- Available to order with pre-applied mastic.
